I wish I could have been there to give ya'll a hug and tell you how much your Mom meant to me. I always admired how hard she worked to take care of her family. Which what she loved most in life I will always remember her quick wit & how much fun she was to be around. She was an amazing lady. She will be missed but not forgotten. With much love and prayers

Please accept my condolences. This was a total shock, as I'm sure it was for everyone. Even though it's been several years since I last visited Aunt Alice, from all my recollections, she was always kind and talkative. She made me feel welcome in her house and was truly interested in my life, as well as sharing good stories and experiences of her immediate family. She'll be missed by ALL!

I dreamed last night of Heaven As I followed you there I felt your presence, heard your heart, I almost touched your hair. I remember crying just because I missed you so. Though I was right behind you I didn't want you to go. I begged for a reminder to help me see your face, a thing to hold and touch. But it left an empty place. I looked for you in everything I asked for you by name I know that you were with me there. I'll never be the same. I dreamed last night of Heaven I ache for one more glimpse of the love I felt while near you. And the beautiful heart I miss. Love, Your Granddaughter, Amy

Go now, mamaw, the time has come. All tasks today are done. There are others waiting there for you, And songs yet to be sung. Go quietly, go softly, Leave all pain and worries behind. Today has left a part of you in our hearts, our souls, and minds. I'll remember you, my dear mamaw, As I lay down to sleep. I'll remember that you made me smile, Although, it makes me weep. As you go to face your future, As you go to touch the sky Know that God makes all things possible, Angels never die. Go now, mamaw, the time has come. All worldly tasks are done. There are others waiting there for you, And songs yet to be sung. I Love You Mamaw, Your Granddaughter, Melanie##imported-begin##Melanie##imported-end##

Dearest Uncle Roy and Family, I would like to say how sorry I am that Aunt Alice has passed away. Especially during a time when it seems she may be needed most. But, the Lord works in mysterious ways and this is just another way to bring to light what is most important and that is each other. No one knew this more than Alice. Alice and Roy took care of each other for as long as I can remember and Alice was always willing to help with anything. If you ask any of the grandchildren who helped them the most with their children they would probably say Alice. The one thing that I am thankful for is that she did not suffer when she passed. My condolences to everyone in the family I wish I could attend the service. I am thinking of you all Love Always, Chris Smith##imported-begin##Chris Smith##imported-end##

I'm so shocked and deeply saddened to hear about Aunt Alice. I loved her very much and felt loved by her very much. She was a good woman. She was strong and kind. I have many fond memories of times with her and Grandma. Alice reminded me so much of Grandma.. always had open arms and love for all. She will leave many hurting hearts but will also leave a legacy of how to love life and live it to it's fullest. Uncle Roy, Alison, Teresa, Margaret, Lynda and David.. my heart goes out to all of you and your loved ones. Sadly, I will not be able to get down there because a bad snowstorm has left driving conditions very slow and dangerous. Please know I am there in spirit and send my love.##imported-begin##Tamra##imported-end##

My deepest sympathy goes out to the family of Mrs. Woods. I got to catch up with her just a few weeks ago while visiting my grandmother in the nursing home and I'm so glad I did! Alice was as nice, friendly and funny as I had remembered her from my teenage years while visiting with her granddaughter Amy. What a great lady! I'll never forget her.##imported-begin##shannon cox dyer##imported-end##

Dear Uncle Roy and all of my cousins,Susan, Will, and I want to extend our heartfelt condolences to all of you. The passing of Aunt Alice Mae was a quite unexpected. She was as great, sweet woman. Although I have not seen her or many of you in a long time, I still have many fond memories of our trips to Longview when I was a young lad. I especially remember how Aunt Alice Mae used to say.."Timbo". Well, I guess everybody called me Timbo but I will always remember her soft voice and gentle hugs. I can hear it like it was yesterday.Our thoughts are with you all and I regret that I cannot be there for the services. Please forgive me. Anita is going to represent us. Sincerely,Timbo ...Tim Taunton##imported-begin##Tim and Susan Taunton##imported-end##
