Dear Bobby, Stanley, Mike, Jim, Kids and Family: We are so sorry to learn of Mrs. Stone's death. What a tremendous friendship our family shared with yours for almost 40 years! I have vivid memories of Ms. Bobbie cooking me oatmeal, or waving from the swing, and always laughing. There aren't really words to sum up how much her life was a part of our parents'. It's hard to imagine Elderville and the lives there, without Bobbie Jean. We are grateful for the good years we shared, and the fond memories we have of her. We pray for God's peace as each of you copes with this difficult transition. Thank you for sharing your Mom with us. We are so very sorry for your loss.##imported-begin##Rusty Fox and Karen Fox Frazier##imported-end##

Thoughts and prayers are with all of Bobbie's family. Bless her Heart-she has had awful Health issues. When i first met her, she & hubby I'm pretty sure were Volunteering at GSMC. I appreciated her friendship through all the years. In years past, I used to buy lots of Cards and in my mind's eye I have her associated with the Card Dept. Maybe she was putting them out, etc. I thought she had charge of that Department - maybe Eckerds. Any way, I loved Bobbie and send my love to her Family.##imported-begin##Millie Harper##imported-end##
