Though I regret that I did not get the opportunity to meet my "grandma-in-law" my heart does go out to the family. I am so sorry that we were not able to make it out for the service, but our spirit was there. My thoughts and prayers are with the family during this difficult time. Those we love are never really lost to us--we feel them in so many special ways--through friends they always cared about and dreams they left behind, in beauty that they added to our days...in words of wisdom we still carry with us and memories that never will be gone...Those we love are never really lost to us--for everywhere their special love lives on.~ Amanda Bradley ~##imported-begin##Harmony Jackson##imported-end##

Kathy, Gary, Linda, and Larry! just wanted to express my deep sorrow at the passing of your mother and apologize for not attending the services. For many years she was my mother also and I loved her and your grandmother both very much. She always treated me like I was one of her own. I will always hold special memories of her in my heart. I still love each of you and hope the future stays bright for you all. I will always consider you my family. I will pray that all of you get through this difficult time. God Bless and keep you all. I knew her as my grandmother. I loved her more than I could ever possibly express. I regret that I was unable to be with the rest of the family and my heart is truly broken as well. I will always take with me her love and understanding, she was always there for me and I will miss her always. Grandma I love you so very much and I know you will always be with me, thank you so much for all that you bestowed upon me and I hope that you will look upon me and have a great feeling of pride in me.##imported-begin##Jeffrey Jackson##imported-end##
