I have only happy memories of Steve throughout the years. I went to high school with Steve and we were friends, we lived in Dallas at the same time, I still remember walking in the mall and looking up and there was Steve dressing the window at Titches. Steve was a genuine person, there was not a fake bone in his body, I loved him dearly... at last he is at peace and without pain. May God hold you in the comfort of his hand and cover you in peace, leaving you only good memories. May God Bless, Debbi Corley##imported-begin##Debbi Corley##imported-end##

Steve and I have been email pals for years. We loved to talk about our favorite TV shows and life in general. Occasionally we would talk on the phone just to hear each others voices. I'm so grateful Steve called me Sat Jan the 13th. We had such a good visit. I had no idea it would be our last. Bless you Steve. I'll miss you. Love, Te##imported-begin##Te Glover##imported-end##

I am so deeply sorry to hear about Steve. It's been years since I have seen him, but I went to school with him, and lived down the street from him when we were children. My prayers are with all of you at this time, and I know that God will hold you in His loving arms. Mary Grace Womack Stout##imported-begin##Mary Womack Stout##imported-end##
