Pat and Andy - I check the Longview paper periodically and spotted a name that was very dear to me many, many years ago. Your Mother was such a bright spot in my memories of growing up at Mobberly. In fact, when I think of Mobberly she always comes to mind. She was such an intergral part of so much there. She even helped me with my wedding thirty years ago this month!My sympathy to you and your families. May you find comfort in His true peace.With fond memories,Carol Dillard Reister###imported-begin##Carol Dillard Reister###imported-end##
