I am so sorry to hear that I have lost yet another great school friend. There are many years of memories and I am thankful to have them. I could write a book about the adventures of Carol and I. Your loss is a sad one and your grief is felt by all who had the privilege to know Carol Ann. May God Bless you during this time and always. I will always miss Momma Carol. There are very few people on earth that love everyone unconditionally as she did. I am Hannah's sister and the first day she met me she gave me a huge hug and said she had two new daughters. I thought it was wonderful that she told a woman that she had two boys and two girls. Thank you Momma Carol. I love you too!##imported-begin##Jennifer Widrig##imported-end##
