Momma,I don't know what to say! Just sitting here thinking about you and missing you so very much. I love you, I keep waking up and feeling I need to call you, then I realize I can't. I just miss you so terribly, maybe writing this to you will help a little. I miss your laugh, and the funny,sweet songs you would sing on my cell phone when you left me messages. I just still can't believe that you're not here. I wish so badly that I could hear your voice again. I want to say I am so so sorry that night I didn't answer my phone, it is killing me! I know you wouldn't want me to feel this way and I know that you knew how much I loved and cherished you. You were my best friend! I love you with all that I am, and I will miss you all the days of my life, but I know you are so happy to be were you are, and I am going to live my life the best way I can so I can be with you some day. I love you Momma###imported-begin##Vicky Hight###imported-end##

Tiffany and family: I am so sorry to hear about your mom. She was such a sweet sweet lady. I remember when me and you hung out and I got to sit down and become friends with her. I used to visit with her more than you sometimes. I really wished I had found out sooner so I could have come and paid my respects. She will be truly missed. Tiff I am here if you need me....I love you. God bless your entire family##imported-begin##Jacklyn Boyce-Phelps##imported-end##

I worked with Shirley for many years at Case's. She was one of the sweetest people that ever walked through the door. She never complained and was always willing to help. In our years since retirement, we played Bingo together occasionally and she was still the same. Her illnesses never altered her spirit. How lucky you all were to have her as a mother, and how lucky I was to have her as a true friend. Our thoughts and prayers are with you all.....##imported-begin##Patsi Veazey##imported-end##

To Ricky, Doug, David, Tiffany and Family. I knew your mother well and I can honestly say, she was one of the nicest, kindest and funniest people, I have ever meet in my life. She deeply cared about others, her children most of all. I worked with her for many years at Cace's and I could not have asked for a better co-worker. We use to call her "squirrely Shirley". I forget why now but it was a term of endearment to us and she embraced it. She and I shared many laughs together and I will never forget her. I feel like a better person just from knowing her. I hope you all will take some comfort in knowing that Shirley was deeply loved and respected by all who knew her. Most of all me. I am grieving right along with you all.##imported-begin##Faye Byrd##imported-end##

Rick, Celeste and family; Please know how very sorry we are for your loss. Shirley was such a sweetheart and so appreciated the past ten years God saw fit to give her and she lived them to the fullest. She was such a delight to be around because she always had a smile on her face and ALWAYS saw her cup as being half full. She wasn't a whiner and complainer like some of us even though she had been through her own personal Hell. Know that she is at peace and will be watching over you always. Please call if there is anything you need. Our prayers are with you. Gaylen and Sherry Mapes##imported-begin##Sherry Mapes##imported-end##
