Dear Lynda and Family,I was so sad to learn that Marlon had passed away. We worked together at cracking plant HCC4. He was a great mentor, friend, and WOW - what a sense of humor! I can still remember that special laugh! We cannot be there in person as we are visiting family in Tennessee. Please know that I am keeping you and your family in prayer during the coming days.God Bless you all.Martha McKinley##imported-begin##Martha Ford McKinley##imported-end##

Lynda and family,I will probably not be able to attend the funeral but, just know that you are in my thoughts and prayers. You both are a precious example of God's love. I will miss seeing Marlon at church. He was always so friendly in making everyone feel so welcome. I know what it is like to lose your spouse of such long years. It is not easy but, the hurt does heal with time. I know Joe and Marlon are now catching up on old times as they sit amongst the other angels in heaven. I love you and will keep all the family in my prayers. With my deepest sympathy, Betty Hudman###imported-begin##BETTY HUDMAN###imported-end##

I am so sorry to hear the loss of Mr. Paramore. He has been such a great friend to all my family. He was especially great to my Dad, Billy Joe Hudman when he was on his death bed. He was a very well loved and respected man. He will be missed by so many. I know my Dad welcomed him home with open arms. I am glad that he is no longer suffering and now can rest peacefully. He would not want you to cry for him but, to rejoice because he has been received into the presence of the Lord. Please don't look at this a a final good-bye because you will see him again when you too are called home to heaven. My heart and prayers go out to all of you.
