Tommy & Linda, We had the opportunity of knowing both your Mom & Dad thru the CB Radio days. We enjoyed both of them and they were our personal friends in Texas. We will miss them dearly. Irene was a bit lost without Ed and now they can be together again. They will be with their Father in heaven and will be waiting to share that great reward with you also. God bless and take care. Tommy, I remember you, your parents and brother when you lived down the street from where my family had the little store on 3rd Street. My parents have been gone for over 10 years...I recall Irene and Jackie coming to Rader to visitation, and that's the last time I saw your Mother. Before that Mother and I had been to visitation for Billy Ed and I'd seen your family then. I express to you sincere sympathy and comfort in your loss.
