Poss; a loving sister, Brooklyn Jade Poss also survives her. Other survivors are grandparents, Matthew and Cynthia Hudman Adams, Jim and Becky Mackey and great grandmothers, Betty S. Hudman, Bobby Lea Mackey, and Joyce Poss; great grandparents, Thomas and Faylene Mackey; great grandparents, Jerry and Terry Adams from Springfield, Illinois; great great grandmothers, Winnie Haney of Longview and Louise Chaudoin from Franklin, Illinois. Alyssia is also survived by her aunt, Jacqueline Mackey, Melissa Phelps, Crystal Mackey and her uncle, Jason Mackey. Uncles surviving her are Tommy Mackey, Roy Mackey, Bloss Poss, and Chris Adams from Chino Hills, California. Alyssia is survived also by a host of cousins, other relatives and loved ones.

Alyssla was preceded in death by her great grandfather, Billy Joe Hudman. We know he welcomed her home with open arms and is rocking her in Heaven right now. God blessed us with two months to enjoy this precious baby girl. We will miss her beautiful little smile, her little "coo" noises and especially kissing her little curly head. Alyssia is in God's hands now and it is our prayer that she touched many lives while she was here on this earth. Rest in peace "Little Sissy."

Graveside services will be held at Gum Springs Cemetery on FM 968 at 10 AM Friday, June 22nd with Brother Leon Veasey officiating. Visitation will be Thursday evening at Rader Funeral Home, 1617 Judson Rd. 6 to 8 pm.

Baby girl, Your Nana misses you so very much. Just yesterday I was thinking how I wanted to come over and see you. I then realized that it wasn't possible because you are in heaven now. I still don't understand why God only gave you to us for such a short time. I guess he just needed another angel in heaven and he only picks the prettiest roses. You were truly a beautiful little baby girl. Everyone here misses you so much. I look forward to the day I will get to see you again when Jesus calls me home to heaven. Until then, you let Pop rock you all he wants. I know he welcomed your precious little self home with open arms. Remember always your Nana loves you so very much. Priscilla, I'm very sorry that it's taken so long for me to sign this guestbook, but for days I've been searching for the right words to say. I realize now though, that there are no words...nothing I can say will lessen this pain for you. I hope you know how incredibly sorry I am that this happened to you, and my heart is literally breaking for you and your family. You have always been like a sister to me, and I just wish I hadn't lost touch with you for so long, and that I had gotten more time to get to know your beautiful, perfect baby girl. I find comfort knowing that I'll see her again one day, though that probably doesn't help much either. Please just know that if you ever want to talk, or cry, or if you need ANYTHING at all, that I am here for you a hundred percent. You are my family, and when you hurt, I hurt. I love you so, so much and I'm so very, very sorry for your loss. Please don't hesitate to call on me, for anything at all. My phone number is 512-460-9999. I love you sweetheart, more than you know. My dearest sweet Priscilla, I am so sorry for the loss of your sweet precious angel Alyssia JolieSissy I know that you must feel that your heart has been ripped straight from your chest. I can't even imagine if, I lost one of my own children. That has to be so very hard. I am praying for God to give you the strength to get through this. It is not going to be easy but, with God by your side he will bring you comfort. It is okay to cry, it is okay to be angry, and it is okay to ask why this happened. I don't know why God let you have her for only two short months and then she went back to heaven. I know she is that little angel in the sky watching down on you now forever more. Just know she loves her Mother very much and you will see her again when God calls you home to heaven too. You have another sweet and beautiful daughter that needs you so you have to remain strong as you can for Brooklyn's sake. Brooklyn is a miracle to be alive herself. Being born with Ecoli and surviving that is such a miracle. Then when Brooklyn was in the wreck with me on Dec. 3rd, 2005 God spared both of our lives. I am so thankful for that. We could have very easily died hitting that huge tree but, it was not our time to go yet. I am just thankful that Brooklyn is still here with us. If, God could take me and spare Alyssia for you then I would do that in a heart beat. I have already lived my life and I know when I die that I will be in heaven. I just don't quite understand why he took our precious little angel. I just wish I could have spent more time with her. Priscilla just know I love you with all my heart and I am praying for you. I am here for you always. Again, baby I am so sorry that you have to go through this. My heart breaks for you. Love Always, Your Mother###imported-begin##Cynthia Hudman Adams###imported-end##

As we stand on the shore watching her sail out of sight, we will be sad and miss her but, there will be all who have gone on before her, standing on the opposite shore to welcome her home, and oh what a happy time it will be for them.
