I learned today of Dave's passing and that was only in telling someone of his heart for touching other's lives as they faced the challenges that accompany cancer. I believe Dave stayed around to give just one more person hope. He did this over and over until the Lord must have said, WELL DONE MY GOOD AND FAITHFUL SERVANT! To think of Dave and Patsy always brings a smile to my face. He did love his sweetheart. They were a team. I remember seeing Dave at a Springhill football game many years ago and he said, "Janis, I want you to meet my wife". He was so proud. He was one of few people who would have called me Janis because only by having Seminole roots would anyone have that bit of trivia. He will be missed and always treasured to all who had the good fortune of knowing him.##imported-begin##Jan Ferrell##imported-end##

Although your family doesn't know me personally, Mr. Henderson touched my family through my 2 bouts of breast cancer and my father's pancreatic cancer. What an inspiration he was to me; he visited with me both at the LCC and at GSMC. I truly believe he is with our Heavenly Father now reaping his reward! May God bless your family through this difficult time . . . please know that Mr. Henderson touched many many lives, and he will truly be missed.##imported-begin##Kathi Burney##imported-end##

Good Shepherd Medical Center had a wonderful friend in Dave Henderson, as he shared thousands of hours with so many oncology patients, sharing his love of God in Christ, holding up their hopes and dreams, as he held his. He will be missed so much, and his legacy will always be a beacon for other chaplains to follow, caring, sharing, loving, praying, laughing, and living, realizing that each day is indeed a precious gift. God bless you all in this time of sadness, and rejoicing. Best love from all the chaplains at GSMC...Mike Macey###imported-begin##Chaplain Mike Macey###imported-end##
