James, Barbra, and FamilyPlease accept our sincere condolences and sympathy at the loss of your Father. We have both been there and know it is not an easy thing to deal with. His disease was one of the worst, I lost my Mother to the same demon. Just realize he is in a better place and there is no more pain or suffering. Again our prayers are with you. We wish circumstances were that we could have attended, but, unfortunately we can't.Claude, Pat & Family##imported-begin##Claude & Pat Dowden##imported-end##

So many wonderful memories of our fourteen years living next door to you on Warwick Circle... The super vegetables Zach would share in the summer, out of his spectacular garden alongside the house.... The days we would pick up the newspaper when you were out of town. As Our children grew up Zach always seemed to enjoy them. So many fond memories of a good neighbor. God bless you in this loss. Our love and prayers are with you now and always. I was greatly saddened to hear of Zack's passing. Through the years, I have always thought of him with the utmost respect. He was one of the smartest and kindest people I have had the privilege of knowing...and the best "boss" ever. I was blessed to have been a small part of his life many years ago and will never forget him. My sincere and deepest sympathy to his family. God bless you all....Fonda###imported-begin###Fonda Jones###imported-end##
