I was sorry to hear of Charlie's death. Austin Strawn was my brother-in-law. Dee Strawn was my sister...they are both buried in Murfreesboro. Even tho Charles was 8 years older than I, I knew him from having lived in Murfreesboro during the summers from 1941-46. May each of you find peace and comfort in knowing that Charles is now with the Lord...we were blessed by reading of his serving the Lord found in The Paris News. Sincerely, JC and Glenna Ford###imported-begin##Glenna Turner Ford###imported-end##

Dear Glenda and all family members;You do not know me and probably will, but I knew your father and admired him so very much. He was also a friend of my husband, who was a real estate appraiser as your father was. Charles was in my home many times over the past years to either visit and discuss business or assist me in learning how to use a certain appraisal form on the computer. He had the patience of a lamb and a laugh that I will never forget, don't you either. I know personally how hard it is to loose a father, but you will learn in time, as I did, that they are not that far away from us. Just hang on to the good memories and call upon them when you are feeling sad and longing for him. Always remember that there will come a time of gathering together again and we must go on and live our lives as God would want us to until that "Wonderful Reunion".May God bless and keep all of Charles family forever.Thank you Charles for everything, see you up there someday, I hope.A loving friend,Martha Nelson###imported-begin##Martha Nelson###imported-end##
