Dear Adams Family-Celine was always so much fun and a great friend. I still have the centerpiece she made for the head table at our wedding in 1989. It sits on our hall tree and there is not a time that I look at it that I do not think of Celine making it for us! I did not know Celine, but came to know of her through her wonderful daughter, Megan. She no doubt was quite an incredible woman to have produced such a smart, caring, and giving daughter. I heard so much about her strength, love and devotion to family and others that I am sure I missed out by not knowing her personally. My prayers are with you through this time and the future.##imported-begin##Carol Murray##imported-end##
