To Jan's family, My thoughts and prayers are with each and everyone of you in your time of sorrow. It deeply saddened me today when I read my hometown newspaper and found out about Jan. I went to school with Jan and had not seen or talked to her in a few years but she was always a cheerful, loving, kind person. I have many memories of our school days together and cherish them dearly. I was looking forward to seeing her beautiful smile and hear her great laugh at our reunion. She will be missed by all her classmates I am sure. To have known her was a great honor and you should be proud and treasure each and every moment you had with her. She loved life to the fullest and she is a true friend that will be missed by many. May God Bless.##imported-begin##Patricia Trish Jones Eckart##imported-end##
