Toni and I had done some events together and I will never forget the night we met in Starbucks with her and Ashley, we were making plans of some things we could do together to mentor and continue helping the youth of East Texas.We did some events together and I enjoyed working with her, she was always full of life and ready to go. The last time I visited with her was at Casa de Oracion about a month ago. I was so shocked when I heard the news of her and Christina, I will be praying for her family and Ashley, you hold a special place in my heart. I love you and am praying for you.I don't even have the words to say except please hold on to the Lord and trust in Him through these hard times.Bendiciones,The Cowdery FamilyBreaking Barriers Media###imported-begin##Paul, Wynelle & Angelica Cowdery###imported-end##
