I am sorry that I can not attend the funeral. I have known Nancy for many years and have always thought that she was a great girl. I did the accounting work for the Horton family for many years and was very happy doing it. It was a great experience for me. God Bless all of you. I am sorry for your loss.##imported-begin##William D. Dennis##imported-end##

I had the opportunity as a Caregiver for Nancy for a short period of time and Nancy was a very special person to me. I know she will be sorely missed by many. I am so glad that I got to know her and had the opportunity to help her for a short while when she lived in Longview. She was a very funny person and there was never a dull moment when it come to Nancy. I will always cherish my memories with her. My condolences to her family at this time.##imported-begin##Linda Morrow##imported-end##
