Dear Family of Mary, I love this picture of our Mary because it reminds me of her so much. What a precious lady and how faithful she was to her Lord Jesus for so long. Two of my family went to heaven in 2007 and now they are joined by Mary. Praise the Lord. It won't be long till all of us will be gathered around the throne of God with nothing but Praises for our Lord and King. May you be strengthened and reinforced in your inner person as you work through all of the details, knowing that "where he is, there Mary is also!" Love you too. She looks so beautiful and peaceful just like Marjorie went a few weeks ago. They are both totally healed, new bodies from painful strokes. I cherished her in my heart all through the years as a loving and caring person. Bud & Maynard all through the years have been great care-givers and shows you what God can do through painful sickness. It's so very hard to go through but being there for them is part of God's plan in letting them go for total healing. She has always loved her family so much all through the years. Our prayers and thoughts are with you. ##imported-begin## Wayne & Margaret Musslewhite ##imported-end##

Charlie and Judy, I'm so sorry to read of your mother's demise! Many hours and days spent as a guest in your home as a teenager remind me of her loving spirit. Your mother was a special soul, kind and gentle. She was always loving and attentive to me. She was special then, and special now in my memory.
