The memories I share with this precious lady are far too many to write in this little space.Words cant express the saddness in my heart I feel right now. She will forever live in my heart and I will always remember how special she treated me for the 15 years I worked for her in her home. She was there for me thru many of lifes trials and also thru the joys. My life was blessed to have Dorothy in it and it will never be the same now that she is gone. The thing that makes it easier to bear is the fact that she is finally out of that wheelchair and is walking on streets of gold with Dr.Dinger and Jesus and the baby boy she lost so long ago. I look forward to seeing her again one day..##imported-begin##Paula Heimer##imported-end##

I am very sorry for your loss. Mrs. Dingler was always my favorite lawn care customer growing up. One of very few I can actually say I miss seeing on a weekly basis. She seemed to always be in a cheerful mood and genuinely cared about hearing what was going on in the rest of my life. She will be greatly missed.##imported-begin##Chad White##imported-end##

To All of Mrs. Dingler's Loved Ones,I will never forget what a kind, gracious person Mrs. Dingler was. I well remembered when she bought just about all of the Charity Ball tickets I was selling when I was a provisional in the Junior League. I also remember that, years ago, when ya'll lived close to us, when I was raised on West Avalon.I also remember what a kind, decent man that Dr. Dingler was. It is heartwarming to know that they are now together.Don, I will never forget when you, and a Police officer named Allen Cain literally saved my life from that maniac in May of 1978. Had it not been for ya'll, I would have suffered and early and horrible death!Please know that you are all in my thoughts and prayers.Love,Sally Shaw###imported-begin##Sally Shaw###imported-end##
