I have many fond memories of Virginia, not only as a teacher, but as a family friend. She and my mother, Dorothy Erisman, were good friends. They always enjoyed "comparing notes" about Jim and Don, and my brother, Fred. I shall never forget Virginia's patience with me as a math student! My thoughts and prayers go out to all of the family.##imported-begin##Emily Erisman Myers##imported-end##

Barry and the boys and I are thankful that we had the chance to be a part of the family even though Lacolian died so young. This is in great part to the example set by Mrs. Richardson.##imported-begin##Susan Shelton##imported-end##
