May God give you comfort!David has always been a special person, even way back in the 80's. I attended high school and FBC youth group with him...it was during Hal Schmidt's time, if you can remember back that far. David was such a wonderful guy then, and it seems he lead a great life of service. I'm sorry I didn't come to the funeral. I was on the road taking my son, his wife, and baby to the DFW airport. I just can't believe that David is gone. I loved every moment that I was able to spend with him. He worked so diligently with me on the singles ministry. I can't ever remember him complaining about anything. He was always smiling and willing to help in any way. He was an inspiration to me then and especially after I was diagnosed with cancer. I've been able to visit with him a couple of times since I've been home. The last time just a few weeks ago. Sadly, I won't be able to attend the funeral as I'm in treatment and can't be in crowds right now. He's in my heart and will continue to inspire me to beat this disease. My prayers are with all of you at this time. I will miss David very much.##imported-begin##Elaine Rice##imported-end##

I remember David from our high school days singing in Mrs. Holmes' Concert Choir. We had some wonderful times back in those days. One thing that I will always remember about David is that it seems everytime I saw him he had a big smile on his face. I realize that there were days when he didnt feel like smiling but yet he always seemed to manage a smile and a friendly greeting. Over the years I havent seen him that often but on occassion I would see him at a football game or at First Baptist. We always shared great conversation. I know that today he is running and jumping through the streets of Heaven. I know that he will be missed by the ones that loved him so much. The entire Cavazos family will remain in my prayers during this most difficult time. God Bless##imported-begin##Britt Burt##imported-end##

How do I begin to describe what a blessing it has been to have David as my friend. David had such a sweet spirit. He has been an inspiration to so many people during his brief time with us. If we could all be so lucky as to touch & bless as many lives as he has!!! personally had the pleasure of spending many happy memories with the wonderful Christian man. From our school days in school choir & band as well as church choir & helping with childrens choir. We also got to share so many wonderful times together in the Singles Department at First Baptist Church. I am so happy that my husband & I got to be apart of a very special day in David's life--his wedding day. David was blessed to meet and fall in love with a very special woman. Diane, you and your girls blessed David in so many ways. He longed for God to bring that special lady into his life for a long time & I am very glad that it was you God chose for him. How happy you & your girls made him is beyond words. David was truly blessed to have parents who raised him in a Christian home. Mario & Charlotte, God blessed you with a very special son & you where so good to him. My friend you will truly be missed. I thank the Lord for blessing me through your friendship. You will always live in my heart & memories. I know as you enter the pearly gates the Lord said "Well done my good & faithful servant". Love, Debbie##imported-begin##Debbie Payne##imported-end##
