Dear Sheila, Amy and David, You have no idea how much I am going to miss Pogo. He has been such an inspiration to me the last couple of years. I have very fond memories and him. Not anything specific, I just knew him and liked him so much. I remember when Sheila and Pogo got married. I remember his mother working at Paul Jones Drug. Sheila, I just want you to know my heart is broken. But, I want you to keep on keeping on for your kids and grandkids. They need you more than ever now. Mike told me to let him know how my back surgery went. He said that he would have surgery on his if mine went ok. Now he doesn't have to worry about that, his body is perfect now. I love all of you so much and I'm so glad I had the privilege of getting to visit with him on the phone lots of times. If I was thinking of calling him, he would beat me to it and call me. :God Bless You All, I love you lots!##imported-begin##Audrain Storm Newberry##imported-end##

I will miss Mr. Gleason greatly. He and his puppy dog always had time to talk when you stopped by or seen him at the mailboxes. He was a very kind man. I believe God has him in his arms now. No more pain or sorrow. He was an asset to Sandalwood Sub-division.##imported-begin##Terry & Jack McMillan##imported-end##
