Beth & Family I was so sorry to hear about Sheila & Mike. I graduated with Sheila at ECHS. She was definitely a great musician. I always enjoyed her piano playing with our stage band & singing groups. She played for my wedding. Her talent will be greatly missed by all.##imported-begin##Jean Dick Wilson##imported-end##

Sonny and I are so sorry to learn of Sheila and Mike's deaths; I wish we had known of their illnesses. Sheila and I were classmates from grade school through high school. Many of us learned to drive well before 16 in Dorothy's car; we had some great parties and slumber parties at Sheila's! Please know she was admired and loved by many.##imported-begin##Sonny and Anita Dorsett Vermillion##imported-end##

We had some great parties at her house. I lived just a few blocks up the street from her. I even TP'ed her house one night, then told her how to get the paper off the next day,easily with a water hose.##imported-begin##Stan Heckrodt##imported-end##

My sympathies to Sheila and Mike's children and grandchildren and to Beth. I graduated from high school with Sheila--she was the smartest girl in our class--our Valedictorian. She was also one of the most fun people ever. Sheila was one of those people who could make you feel better just from hearing her laugh--her laugh was infectious! Her mom was one of the cool moms too. In fact, I loved the whole family! God bless you all.##imported-begin##Carole Jantzen Woodard##imported-end##
