Dear Family,I want to express my condolences and sympathy for all of you during this difficult time. I also want you to know that my relationship with Jane Bass of over thirty years as a customer of Martins Womens Apparel store will be with me for the rest of my life. I cannot think about Martins without remembering Mrs. Bass. She was as much an icon and all that made Martins an institution as any customer ever associated with that business. I will always remember her smile and fun loving attitude. She made any day better with her arrival. You certainly knew exactly where you stood with her as she pulled no punches. However, she always was gracious and never demeaning. I am so glad that I had the opportunity to know her and have these memories.##imported-begin##Jerry Russell##imported-end##
