I'm so sorry for your loss. Although I never got to meet Uncle Bill, my Grandparents always spoke fondly of him. I'm sure he will be sadly missed.##imported-begin##Pam Hayes##imported-end##

Condolences to the family of Bill Findlater. I worked at Polysar and had considerable contact with Bill particularly during the 1980's. He was always a pleasure to work with and I feel fortunate to have had the opportunity to have worked with him and to have known him. I extend my deepest sympathy to his family in their loss.##imported-begin##Wilfrid Coulter##imported-end##

My condolences to the Findlater family on your loss. I knew Bill as a friend as I was his Terminix pest technician for the past four years. His ready smile and jokes were always a welcome sight when I saw him each service. May God comfort you in this time.##imported-begin##Van Hendrix##imported-end##
