Some of the blessings that make life so sweet are the special people who share my good times and brighten my days. It is often these people who cheer me on when my own enthusiasm seems to wane. My brother, Tommy, was that special person to me. He was so much a part of me, I will always miss him, but the precious memories of him will continue to bless me.##imported-begin##Ann Lange##imported-end##

HEAVENLY RIDE HOME May the wind always blow through your hair,like angels breath so sweet,the sunshine warm your very soul,from your head down to your feet.May your engine roar its song on high,of strength and all things good,the joy of riding beasts of steel,forever understood.RIP T-Man##imported-begin##Doop##imported-end##
