Mr. & Mrs. Harrell, I was Justin's supervisor for awhile at Citizens and was saddened to hear of his passing. He was a pleasure to be around and I often told him what a bright young man he was. He was so full of potential and will be missed by many. You and your family are in my prayers. With deepest sympathy, Ramona White

Mr. and Mrs. Harrell and family: I had the opportunity to interact with Justin as a resident in my buildings while he was living on campus at UNT. It saddens me and my staff to know that Justin will not return to our halls in the fall, but please know that Justin will not be forgotten by those who knew him here at UNT and that he will serve as a constant reminder as to why we are here and that there is meaning in every one of the relationships we develop with the people living in our halls. The thoughts and prayers of the UNT Housing staff go out to you and all of Justin's loved ones. May God Bless your family!
