To the children and family of Lori, This is such a shock, I had to hear about the passing of such a wonderful person on Myspace. My husband and I have known Lori since 2001 when we were living in Houston. I have some very fond memories of Lori. She was very fun to be around: we used to cook together, go to jewelry parties and concerts. She LOVED her children very much, they are all she talked about! Lori, you are loved and you will be missed! My heart goes out to your entire family, may God bless all of you! Alison and Bobby Deavers###imported-begin###Alison Deavers###imported-end##

Dear Charlce,I was shocked to hear that Lori is gone. Just this past week, I was going through old pictures and found some of Lori when she visited us in Dallas. She was about 10 or 11 at the time. I know that you and all the family are grief stricken. Please remember that you are in my prayers. God Bless you all. Love, Judy Carnett Glick###imported-begin##Judy Carnett Glick###imported-end##
