Oh how fondly I remember Aunt Bernell, the "girls", the big house, the HUGE pig in the yard, and how warmly and wonderfully we were treated by the Sallee family when we arrived from Germany, wide eyed with awe. So saddened to hear of her passing.##imported-begin##Marlene Shannon##imported-end##

As a child, Aunt Bernell was everything I wanted to be when I grew up. She was my hero and I idolized her more than words. She was strong, sensitive and loved to laugh...AND FISH! I learned so much from her and I hope I can become half the woman she was. I love you and miss you Aunt Bernell.##imported-begin##Andrea Blalock##imported-end##

What an honor it was for me to get to know "Grandmother". I only wish that I could have known her longer. I will always be grateful for her sharing her home with Jimmy and me while we built our house. That was a true blessing. She loved her family and her family adored and loved her! Grandmother, you will be missed and never forgotten.##imported-begin##christi jones##imported-end##
