Cynthia, you are truly missed. Your girls were playing on my porch again yesterday and I just loved seeing their smiling faces. It nearly made me cry knowing how much love you have for them. I pray that God will wrap his arms around them and help them get through this very sad time. I miss your laugh, and your smile. You always knew what to say and how to say it. I see your spirit and love in the girls eyes. They miss you, as well as the rest of us. Steven if you ever need anything we are here for you. We love you and will always be only a phone call away. Or yell if you can scream as loud as me. LOL. God will take care of you three just trust in him and take good care of those girls. And God bless you Aunt Bonnie for helping and being there when they needed you. I love you too and the rest of the family. Love Tonya, Jeremy & Summer##imported-begin##Tonya##imported-end##

We must not take life for granite, every moment counts and I will try my best to make sure I talk with everyone and really listen to them. I want my family to know I love them and that they can come to me for anything because you never know when they may leave us. Cynthia I know we had our ups and downs when we were in school and we never spoke after graduating. You were always a good person and always carried a smile on your face no matter what. You were always strong and enjoyed life. I remeber we always referred to you as "Lil Bit" because you were so short. I just couldn't believe it when my brother told me and honestly I still have a hard time believing it. Every time I saw you at the school with the kids you always carried a smile on your face. Man it was just the other day when we was all smileing together. You never showed any sign that the time for you to go home had come. Your laughter and silly coments you made will never be forgotten. you was the life of whatever was going on. they said dinamites come n small packages, and i guess they was right. You was the smallest thing in the crowd, but yet had the biggest heart. Once every thing was over, if no one was remembered, you was. You taught me plenty, the main thing that I learned from you is how to love someone reguardless what they say are do to you. And to your husband steven, man you was like a brother to me. You and Cynthia was like the other family that I wanted but never had. If you do not do nothing else in life, please keep your head up for me. You was strong when she was here, she expects you to be strong while shes gone. You have two beautiful daughters raise them the way you know that she would have. If there is any thing that you need, I mean any thing, call on me, I got you. You and Cynthia took care of me, I think that I owe yall that much In return, but im going to give more. Ima give my love. I love you dearly Cynthia. Even though your gone, your not forgotten. Your memories will last a life time. Stevo, man i love you. feels kinda weird telling you this comeing from one man to another, but its true. I love you to death n if I can do any thing let me help. Aliyah, anh lala, I love yall to. no matter what any one tells you, your mother was a strong women and wanted nothing but the best for both of you.
