Dear Schwartz family, I wanted to let you know that there are so many who are lifting you up in prayer and asking the Father to give each of you strength and peace at this time. I am asking God to please surround you with those who love you and can bring you comfort today and every day to follow. My son was one of Martha's students eight years ago. What a blessing! He was an older kid in the class and easily bored. She figured him out quickly and made him a "mentor" to a new Korean student. Whenever Jess finished his work early he had her permission and encouragement to scoot over to Moses Lee's desk and help him with his work. What incredible insight and planning! She was known for that and we got to see it in action! Jesse and Moses became fast friends a friendship that lasts to this day and it helped both boys focus on what was important. Jess has always claimed she was the best teacher he ever had. I always think of her fondly and last hugged her neck in Brookshires, remembering what an incredible difference she made in Jess' life that year. I know she has changed many little lives through the years and lives on through them today. Thank you for sharing her with us and know you are in our prayers!###imported-begin###Maggie Morgan###imported-end##

As I have read through Mrs. Schwartz' guestbook, I have seen such wonderful comments about the woman that I only had the opportunity to share a year with. Like so many others who have left notes, I knew Mrs. Schwartz as a teacher. She was my teacher almost 30 years ago. I was in her 2nd grade class in 79-80, and remember her as a warm and caring person. The very best thing about her, from my little 8 year-old viewpoint, was that she was petite just like me. I also remember that she created an atmosphere in her classroom that made everyone comfortable. My prayer is that her family will still continue to sense that feeling of comfort that only God provides. She knew that comfort and spread it to others. May we all learn from her example. We mourn the loss of Mrs. Schwartz. She was a very special lady and made a difference in our child's life. She was a wonderful teacher, whose smile could light up the room. In the year that Brianna had her as a teacher, we grew a respect and love for her that will last a lifetime. She loved the Lord, and you, her family. She talked about you all the time as well as her dogs. She will be missed, but please know that she accomplished some wonderful things in the short time that she was on this earth! We look forward to seeing her again in heaven.##imported-begin##Ric,Karen and Brianna Johnson##imported-end##

Dear Bob, Stephen & David - I am so sorry for this terrible loss to you of your precious wife & mother. I will always think of Martha's wonderful smile and the deep desire she had for her boys. Our Joshua would get confused when he was little and call her "Martha Shorts" I always thought that was kind of appropriate. Please know that our prayers for our Heavenly Father to wrap His arms around each of you will continue for some time to come. Susan##imported-begin##Susan Dean##imported-end##

Dear Bob, Stephen, and David, I am so sorry for your loss. "Marfa" was one of the sweetest, kindest, and most loving person I have ever known. I loved to be around her because she always made me smile! She adored you boys, it was fun to listen to her tell David and Stephen stories! She would light up as she spoke of each of you!! Bob, I cannot imagine the hurt you must feel, Martha spoke so lovingly of you. I counted her as one of my dearest friends! But most of all Martha loved Jesus and it was so very evident in her life! May God give each of you peace and comfort in the days ahead.##imported-begin##Lauri McGaughey##imported-end##

Dearest Schwartz Family, I just wanted to let you know how much Mrs. Schwartz ment to my son Sterling and me. He had the privilege and honor of getting to be in her class last year. I had the honor of also getting to know her as well. She always smiled whenever she spoke of the 3 men in her life. I will miss her sweet spirit as will all the countless people she has blessed at Pine Tree.
