Ruby Lee and Sara, I just got a call from Marshall telling me this sad, sad news. I'm not sure what happened - guess I am still in shock. Patti and I shared a wonderful childhood together, from as far back as I can remember, and so much of it was made fun and happy by her mom and dad. Many of my best memories are of times spent with Patti and the Pages at Caddo Lake, where I learned to fish.....oh, the fish we caught! I am so deeply saddened to learn of the loss of one of my oldest friends. How I wish we had stayed in closer touch over the years. I will always, always remember Patti. We were a big part of each other's lives for so long, and one never really cuts those ties of the heart. My deepest sympathy to you. She was a wonderful child and a wonderful woman. Mrs. Pagel was so saddened to hear about Patti. She was always such a good friend and I loved visiting with her at our reunion. I did not realize that Rita Cox was her cousin - my husband is from Atlanta. I remember the time you and Clarence brought 12 girls to Tyler to see me in the hospital - we had so much fun giggling.
