Interment will follow at Memory Park Cemetery. Mrs. Gregg died Tuesday morning at The Willows Nursing Home in Kilgore. Lucille was a loyal and loving mother whose life was centered around her five boys and their families. She had many friends from all over the country, and anyone who got to know her loved her. She is survived by her sons and their wives, Gerald D. and Nancy Gregg of Carthage, Gene and Judy Gregg of Shreveport, Dennis and Susie Gregg of Kilgore, Larry and Judy Gregg of Longview, and Ricky and LaCretia of Dickson, Tennessee; four grandchildren, Jennife Galyean and Geoff Gregg, Parker Gregg, and Cheyenne Klinger; six grandchildren, Abby, Jack, Andrew, and Jeb Galyean, and Raley and Gracie Gregg; and several nieces and nephew along with her special friends, Diane Fotopoulos, Jim and Joy Miller, and Paula Walton. She was preceded in death by her husband, Melvin D. Gregg and one grandchild Allyson Elizabeth Gregg. Visitation will be at Rader Funeral Home Thursday afternoon 3 to 5 PM. Pallbearers will be, Parker Gregg, Geoff Gregg, Allen Galyean, Cornell Waller, Brian Harville, and Robert Rowe

Dear Gregg Family, I was very sad to hear about the loss of your mother. Miss Lucille was my Grandmother's roommate there at the Willows for some time. She was such a sweet lady and loved you boys and family beyond measure. She would always show pictures as they hung on the wall of her room and talk about you all. She would get me to help her with her eyeliner as she always wanted to look good. She was a wonderful person. My condolences to the Gregg family for your loss. No matter what the circumstances the loss of a loved one is always more grievous than expected. I haven't seen any of you for many years and I can't remember where we first became acquainted. It may have been at the old Central Baptist Church which was across the street from the old Longview HS Ag/shop building or at the Pinewood Park Baptist Church which is now the Marathon-Letourneau Credit Union. In any case it was a long time ago. I remember of course Gerald and Gene from LHS but many of the memories from the late 50s and early 60s have faded, unlike your memories of your Mom which will be everlasting. May God bless each of you during this time and may God help ease the pain of your loss.##imported-begin##jimmy shillings##imported-end##

Ricky, Gerald, Dennis & Gene, My heart is heavy as I am writing this and tears are streaming down my face. I LOVED your Mama like she was my own. You have all been in my prayers since I heard about precious Lucille going home to be with Jesus. I am so sorry I could not be there. She was so special and such a blessing to me. She was my "other mama". I have such wonderful memories of Lucille and all of you. The awesome food she loved to cook and the laughter. She and I made each other laugh, a lot! And we always cried together too. She had such a tender heart. The last time I saw her was a couple of years ago and we laughed and cried just like we had never been apart. She knew how blessed she was to have the unconditional love from her boys that she had. And I know all of you knew how much she loved you. You all were her pride & joy! I know there will be such a void in your lives without her but we have such an awesome hope because we WILL see her again. I have been through so much death in the past few years and heaven has become more & more of a reality to me because of this. I know that I know that one day I will see Jesus face to face and all my loved ones, just like sweet Lucille is doing now. Cling to Jesus and He will get you through the coming weeks, months and years. I pray that He will comfort each of you as only He can. He is the God of all comfort. And He is faithful to help when you call on Him. When you hurt, He hurts with you. The Lord is close to the brokenhearted. And those who are crushed in spirit, He saves. Psalm 34:19 I love all of you dearly and will pray for you and your families faithfully. Love, Lesa##imported-begin##Lesa Lively Wyatt##imported-end##

I always wanted to meet you, but my health would not allow me to attend your shows. I personally want to thank you for the nice write up you have on Momma on your website. Maybe someday we will meet, if not here, then in God's great kingdom with our mothers. My sincerest condolences to you and the entire Gregg family. Aunt Lucille was a great lady. I remember going over to her home with my dad Travis Gregg on Christmas morning's to visit her and my Uncle Melvin, as soon as we would walk through the back gate her dogs would be barking at us and she would come out the sliding door cussing at them. When we would walk through the door she would offer us some type of cake or cookies. I never went into her home without feeling welcome and she will always be a special lady in my heart. When she would come and visit us at our home she would alway bring my sister and I Razzle Gum. I loved sitting at the kitchen table listening to her and my mother talk. They were always laughing about something, she could tell some stories! One of the stories I remembered her telling was when the boys sawed off the legs of the kitchen chairs and they had to sit on card board boxes until they could buy some more chairs. I thought that was so funny. I know that her boys were her life and she loved everyone of them the same. She is going to be dearly missed.To my cousins, I am so sorry for your loss. Your mother was a great lady. Please keep all of the good memories in your heart and God will help you through this time. My mother and I would like to offer our deepest sympathy to all of the Gregg family. Although many years have gone by, both of us remember Lucille and her wonderful stories. She was such a sweetheart! Rachel Ray had nothing on Lucille...there was always something yummy to eat in her kitchen. Lucille's greatest pride without a doubt were "her boys". She was always there for them as they were for her. It looks like the Gregg family has grown considerably and she must have enjoyed every minute with her grandchildren. I spoke with Lucille once, 2004. She ask me if I was Ricky's friend, I said Yes. She was so sweet and kind. She was still at home at that time, not getting around real well. She told me how much she loved ALL her boys. I told her I was so happy I had met Ricky and that we were truly friends. I could feel the love in her voice when she talked about her boys. I have heard from Ricky's friends that she was so much fun to be around. She will be missed by many, many people. To Gene, Gearld, Larry, & Dennis, I haven't met you but just knowing you are a part of Lucille makes you very special. We dearly love Ricky. We will pray for you all.
