It was a great day when our families became one with Charity and Jodie's marriage. My children felt as if they had another father. I know we are all hurting and one day we will have the joy of meeting in Heaven with your wonderful parents, children, husband, brother, sister, and grandparents. Sorry to learn about the death of Michael Wayne Stark. This must have been a difficult time for all. Therefore, I am forwarding scripture to bring solace. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. compare Genesis 5:3-32 Hebrews 9:27 says...It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgment on sinful Adam.##imported-begin##J Nunnally##imported-end##

Dear Jodie, Eric, and Greg, My heart really goes out to you because you have lost two wonderful parents. They were good friends to me and helped me through some tough times. I can still hear both of them laughing and joking around. And your Dad had so much energy. One thing about them they loved each other very much and they loved you boys. Cherish the times you shared and know they are better off than we are. Even though I haven't seen your dad much in the last year, I still thought about him and I have visited your mom a few times. Your hearts will hurt for a long time, but with each passing day, times will get better. You know, Michael didn't half way do anything, and when he chose to marry Wanda, he gave her his heart. You boys need to be there for each other and for her because she is hurting too. We don't always understand why things happen, but God says we will understand in the "Sweet Bye and Bye." Your mom and dad are together, singing with the angels. All of you will be in my prayers and thoughts. Please keep in touch and let me know what is going on in your lives.
