My Uncle Art was very family oriented. He always spent time with the nieces and nephews. When I had my own children, he and Aunt Kris would always sent cards for all the birthdays, holidays, and any special day they could think of -- my sons loved the cards. My uncle may have had his own opinions about things but he was always kind and did his best to make everyone a welcome guest. I hope he knew how well his granddaughters had done before he died. I am looking forward to seeing him again. Diane, daughter of Elizabeth Betty Mercer Dickman##imported-begin##Diane Dickman Warfield##imported-end##

We were so sorry to hear about Art! As you know, Kris and Art were like my second parents. I had some great times at your home! I lost Mom the end of January, so I understand your loss. I'm sorry I won't be able to attend the funeral, but my heart will be there. You are in our prayers and thoughts. Love to all of you!
