Nancy, Kathy and Bill,I was deeply saddened to hear the news today about Billy passing away. I wish so badly I could have been with you at the service. It's hard to believe I have over 45 years of memories of your family. So many good times, funny times and sad times. Kathy, my oldest and dearest friend and Little Bill yes I had to say it growing up with you guys was so much fun. Time just gets away from us. I can see my daddy E.H. Rose now in Heaven with your daddy catching up on watermelon stories and fishing tales. Those were the good old days and we didn't know it back then. You all are in my prayers and thoughts. I love you.....Lisa Rose Stapleton##imported-begin##Lisa Rose Stapleton##imported-end##

My brother, Norton Gatlin, and I grew up with Billy. We bought all of our cars from him as long as he was in business. We both considered him such a wonderful person and a good friend.
