My deepest sympathies go to the Ronzello family. I considered David my best friend in high school and I have so many fond memories ... Florida vacation, tennis, ping pong, playing guitar, and many other activities that I can't mention here. The first time I met David, he whooped me pretty bad in tennis 6-1, 6-0 and I will never forget his unique, left-handed, championship style. Thank you David for being such a big part of my life and I will never forget you. Love, Brad##imported-begin##Brad Deteau##imported-end##
