So sorry, Mike. My heart and prayers go to you and your family. Aunt Val was such a special person. I will always remember the fun we all had when Aunt Val and Uncle Whitey would come to Mansfield with you and Mary Ann and Linda. We had alot of great memories together when we were kids. She even came to Arizona to visit us when she won her trip to see the baseball spring training games. It was great to spend a few days with her and her friend. I pray God's grace and peace will be with you at this difficult time.##imported-begin##Debbie Wyatt & Family Ginnie Turner's daughter##imported-end##

Want so badly to be there but know I can't. Was happy I got to be with you in March - wishing I could have stayed longer - before our Father in Heaven took you away. I will always miss you. We talked so many times on the phone about memories and things happening in our lives. I at least know you now are at peace - seems you have had so many problems in later years that we could not solve but now they are gone and you can rest in peace. I love you so very much and will miss you twice as much more. I know this is a fact of life - we live on earth, raise our families and then it all ends but it is so hard to accept. I'll never forget you because you will me in my heart and prayers til I see you in heaven. May God bless you and your family.###imported-begin###Virginia Ginnie L Turner###imported-end##
