Dear Wendy,I am so sorry to hear about your mother. My mother just told me tonight. I was in New York that weekend and had no idea. What a truly special lady she was to all. Since I moved to Towne Lake, I thought of her often and used to see her driving to work. She will always have a special place in my heart. My love and prayers are with you at this time.##imported-begin##Dawn Miller##imported-end##

I am blessed to have worked with Francile at Lively for 5 years. She was such a pleasant, honorable, and good christian woman to work with. She was always thinking of others before herself. Now she is at rest with the LORD. If all of us were more like Francile this would be a much better world to live in. May GOD bless you Wendy and your family also.##imported-begin##Hellen Howell##imported-end##

Wendy, I was so saddened to hear about the passing of your mother. She and your Dad were very special people. I can't imagine her ever raising her voice! I remember when I visited you and your parents in Fort Worth - I pretty much nuked the steaks, but she did her best to chew it and tell me how wonderful it was. A truly gracious lady. Our thoughts and prayers are with you.##imported-begin##Jerry and Becky Golemon##imported-end##

Dear Wendy, I am so sorry about your mother. She was such a sweet lady and I always loved her very much. It was great to see you at the Mexican restaurant in Longview in June. We were celebrating Wesley's 34th birthday. I don't know if you know it or not, but Wesley was killed in a car wreck here in Panola County on July 15. I am trying very hard to go on, but it is so difficult. I miss him so much. Please know that my thoughts and prayers are with you and I know how you feel. I love you and still consider you part of my family. Love, Tommie Ritter Smith
