Ruth would want me to clarify the fact that, although it is true that she drew her last breath in this world "in a local nursing home",she had only agreed to go there for a few days so that her pain could be controlled...this after a LOT of begging from the hospice nurses and myself. She lived at home until those final days.She also promised that she will stay in touch...and we WILL be with her again in the afterlife. I am sure that she is God's most brilliant angel!... and I am at peace knowing that she is now living in that Eternal Light and Love.##imported-begin##Delna Dillen##imported-end##
