It was a wonderful adventure to move to a new neighborhood, and find people like the Grahams living next door. I have very fond memories from projects, ping pong, getting even jokes, and events through the years with Clarence . He and his family hold a warm spot in my memories. My thoughts and prayers will be with you, and your friendship through the years has meant a lot. John and Judi Morgan

Dear Mary and family, I did not read of Clarence's death until last night and am so grieved that I was unable to be at the visitation as well as the service today due to other commitments. You and family are in my thoughts and prayers. There are many good memories of Mid-Valley Pipeline days and his dedication to the game of bowling...he was a trooper. May God give you strength and courage as you face these days ahead. Love and blessings, Mary Theis

Mr. Graham will be missed. I will always remember growing up living next door, and the adventures from waterfalls to cats and Mr. Graham coming over to see what Dad was working on next. He will be missed. Sincerely Scott and Dawn Morgan
