I am sorry to hear of Mr. Ken's passing. I was the service coordinator at Page Place II for a while and got to know Mr. Ken very well. He was such a good natured and kind man. A joy to be around. Along with many others, I will surely miss his smile and beautiful blue eyes. His love for his family was evident when you spoke to him. May God's peace be with you through this difficult time and may you think of the many wonderful memories you have of him. I know I will. God bless you.##imported-begin##Amy Gillman##imported-end##

One of my most favorite memories of Uncle Kenny and Maurine - It was Mom & Dad's 50th anniversary and we had planned it for several months. On the day of the party - we were all gathered outside the church, Mom and Dad were so surprised. When we looked up, here come Uncle Kenny and Maurine walking across the street - hand in hand with these floppy hats on, just a twisting and laughing! We were all so excited to see them and you could see how much it meant to my Mom by looking at her face. We all loved him sooo much and he will be truly missed each and every day. God bless you, Kenny, Janet, and Maurine and all of you families. Love you all!!!##imported-begin##Pam Murphy##imported-end##
