Suzanne was a wonderful person that I had known for a number of years. My mother was Mary Ford. I will miss talking to her and always loved her stories as well as her wonderful spirit about life.The reunion she planned in the Ozarks years ago for our family was one my girls and I always remember. It was so much fun meeting other cousins and family. A fellow dog lover, a one of a kind person who will be so deeply missed by us. I am so glad I could have someone so special in my life.Jane Burg Coffyn##imported-begin##Jane Coffyn##imported-end##

Suzie and I began our long time friendship in the 7th grade, Longview Jr. High. She was one of my dearest friends. Through the years, we traveled together, fished, and had lots of good memories. I will miss our several times a week telephone conversations. Just being with her whenever I could be in Longview was a great pleasure. Suzie will be missed.##imported-begin##June Calloway Brunson##imported-end##

Suzanne represented so many things to so many people: trusted friend, relative, traveling companion, fishing buddy, confidante. Although she never had children, she was a mother and grandmother to many. She was, in many ways, the matriarch of the Bond/Thurmon clan. Most of all, I remember her humor. Her hearty laugh could fill a room. Your family and friends will miss you terribly...Sweet Suzie. We love you.##imported-begin##Jim Bond##imported-end##
