Kristi...I will never forget the first time I saw Carroll. He was peering into my parents' garage door and I wondered who that tall man was. I ran and told Mom that some dude was outside the garage door and she told me that you guys were there. I was just a kid. I know that everyone who knew Carroll will miss him greatly. I will. You guys had something special going on, and that's rare. Like my Mom mentioned, we've seen some great times, and some not-so-great times together but we're family. We love you and if there is anything we can do let us know. Love, Ken, Romy, Sidney, and Ian. ##imported-begin##ken wilson##imported-end##
