Grandpa, "my white haired cowboy" , You finally in the arms of Grand who loved You, even when You had nothing but Your love to give. No amount of words will ever express our love for You but we can find some comfort in our memories which NO ONE can take from us. This Obituary doesn't even express a fraction of the Man You were. I'll always remember You as my White haired Cowboy, The man that loved his horse Jack so much that at times Grand would just laugh. You loved your animals , You loved riding in parades and at the rodeo. You loved hanging out at "the bottom" and having YOUR family there. There are so many events and stories that You'll never be forgotten. ****A correction should be made in this Obituary Harmon has 5 Children, Pat Richardson, ,Martha Roberts, Shot Greer and Lisa Scogin. He is preceded in death by Christine "Chris" Greer Grand and Cynthia Jane Dorsey "Janie###imported-begin##Stephanie Jane Dorsey Osteen###imported-end##
