I am so sorry to hear of Jackie's passing. I had heard last spring of her illness and have kept her in my prayers. We graduated from Lone Tree together and she was always such a delightful friend and found the best in everyone. I will keep her family in my prayers as you mourn her death and find understanding. I graduated high school with Jackie and she was such a quiet person and always had a smile. I only wished I had known she lived in Longview for the past 3 years, I would have driven over to visit with her. Our family sends condolences to all of her loved ones. May the Lord be with all of you as you endure the loss of your loved one. God bless you Jackie for being a wonderful and sweet soul on this earth!###imported-begin##Debi Jones Van Slyke###imported-end##
