Mellone, You know our heart goes out to you in so many ways. Our hearts too are broken with the loss of Billy Bob. Someone like Billy Bob will only be gone in these old bodies, his memory will live forever with everyone who knew him. He was quite the character, as you well know. I again, thank you so much for allowing me and my family to be a part of his final days on this old earth. Not every one would have been as gracious as you, and for this you are held in high regard in our family. We love you and want you to know our prayers are with you during this time.
