Kathleen, Laura, Jeff, Andy and Amie, I wanted to let you know that I am thinking of you and keeping you in my prayers. I know this is a very difficult time, but just knowing that your parents are together again should give you comfort. Anne was a wonderful woman who loved her children and was loved by everyone she met. She had such a wonderful sense of humor and loved to make folks laugh you wonder where you all got it. Whenever I talk of my best friend Kathleen, I have to mention her family, because for the past 28 years you have made me feel like part of your family and I will always appreciate that. You were blessed with the "best" parents! I truly believe that they now watch over you together. God Bless You. I love you all very much, Jackie & Family
