Trent Hepler

MAR 13, 1978 - NOV 2, 2010

Trent Hepler

Trent Hepler went to be with the Lord on November 2, 2010 doing what was second nature for him, helping others. Trent was a loving and caring husband, father, and son. He loved people and life. His Christianity was apparent in all that he did. His happiest days of his adult life were being married to Alycia and a father to Trey, Bryce and Kalyn. When not at work he was found coaching his sons' soccer or baseball teams. He also enjoyed refereeing basketball and hunting.

Trent was born in Longview, Texas. He attended Oak Forest Montessori as a preschooler. From first through twelfth grade, he attended PTISD. While in high school, Trent was a Buc and the Pirate mascot. He played basketball, ran cross country, and was a photographer for the annual staff. While attending Kilgore College, he served as a Rangerette manager. Later, he attended Sam Houston State University, where he was a member of Sigma Phi Epsilon, served as president of the Inter Fraternal Council, and graduated with a bachelor's in Kinesiology. During his lifetime, he was employed by Lowe's, Tractor Supply, Farmer's Insurance Agency, and was currently employed by Republic National Distributing Center as an outside sales representative.

He was preceded in death by his grandparents, Buck and Doris Hepler and Ross and Betty Ruchti. Trent is survived by his wife, Alycia Marie Adams Hepler, children Trey Payne, Bryce Clayton Payne, and Kalyn Marie Hepler; parents Ron and Kay Hepler, all of Longview; sister and brother-in-law Kelly and Cliff Hall; niece Katy Hall; nephews Joey and Joshua Hall, of Flint, TX. Mother and father-in-law Debbie and Rusty Adams, of Bella Vista, AR. Sister and brother-in-law Windy and Jay Cooper and nephews Riley, Camden, and Carson Cooper, of Van Alstyne, TX and brother-in-law Billy Adams of Bella Vista, AR.

Visitation will be at Rader Funeral on Friday, November 5, from 6-8. The funeral will be held on Saturday, November 6 at 2:00 at Fellowship Bible Church. Burial will follow in Rosewood Park. The family is requesting in lieu of flowers to make donations to one of the following memorial funds:

Alycia and children, Ron, Kay, & Kelly, When I got the news of Trent's tragic passing, I was stunned and deeply saddened. No one goes through this life without facing the loss of a loved one, but when a vibrant & young life is suddenly taken, it makes it even more difficult to accept. So be assured that your loss has been deeply felt by me and many others who had the good fortune of knowing Trent. Trent had all the fine qualities that parents hope to see in their children when they become parents, ie, good character, honesty, integrity, and compassion. Trent made an indelible impression on me and everyone he came in contact with and will be sorely missed. My deepest sympathy goes out to each of you.##imported-begin##Gary Johnson##imported-end##

Dear Kay and Ronnie, You have parented and raised the finest of sons. To have a son who was compassionate, responsive, and undaunted by crisis is the goal of many a parent. Trent's selfless concern for others ranks him as a man beyond his years. The reality of this loss is very hard to take in and I am so sorry. No one can quite know the pain of losing him like you and his family except God. May He be the One Who helps you when you encounter an unexpected difficult thought or situation and may He be the One Who reminds you of joys that only you know. I really got to know him when I served on the International Fraternity Council committee. Even though we were not in the same fraternity, I considered Trent as one of "my brothers". He was an and extremely kind hearted soul. I cannot imagine the pain you must be going through. Your family has been in my thoughts and prayers everyday. Dear Alycia,Tommy and I were out of town this past week, in Maryland, when we heard the news about Trent. There are no words to express how sorry we are and how much we're going to miss him. You and Trent are so special to us and we have loved getting to know you at FBC, and before at Grace Creek. I knew who Trent belonged to when we first met because I had Mrs. Hepler for homemaking when I was in high school at PTHS. In fact, she was pregnant with him then, so I've known Trent even before he came into this world. You, Trent and your children are very special to us, and we will continue to pray for your family, as well as Mr. and Mrs. Hepler. Wow, this is such a loss. I knew Trent when he and I went to Kilgore College back in the late 1990s. He was always such a great person. Always had a smile on his face. Didn't make a difference out of you because of your race. I am African American, but he was such a great person, he still smiled and laughed with me even though we didn't share the same interests. He was laughing with everyone on campus when we were all outside on the Kilgore College Mall area, that is where everyone used to sit outside and talk. It is with great sadness that this community has to say goodbye to such a good person. I remember when he used to work out at the Kilgore College Park Fitness Center. He was always encouraging people to do their best. TO his parents, You have my deepest sympathies. He will never be replaced.##imported-begin##John John Griffin##imported-end##

Alycia, as a wife, my heart breaks for you the most. But 5 years or 50 years, Trent could not have adored you any more than he did, and it was you who gave him the gift of fatherhood in addition to the gift of marriage. You were his greatest blessing. I will be praying very specifically for you in moving forward, as a woman and a mother. Mrs. Hepler, you have such a natural ability and desire to help others, and you passed that along to Trent. When I heard the devastating news, my 2-year old son sat next to me comforting my tears, and I immediately thought about Trent being your 2-year old. Trent became who he was - as a Christian, son, brother, friend, husband, father, and citizen - because of your guidance, even back when he was just two. We are sad that we cannot be there to celebrate Trent's life with you all, but the wonderful thing about Trent: he left so many great memories that there are opportunities to celebrate him all the time as they come to mind. Trent was a good man and will be missed. We tried to follow him with his career. He used to tell my father-in-law that he could squeeze a quarter from a turnip. He would always help him with his feed. He did my mother-in-law's house insurance when he went to Farmers. He was proud of his babies and his wife. May they take after Trent and be as good as he was.
