Dale was a remarkable woman whose love and concern produced a fierce advocate for those with Special Needs not only locally but State wide that set a precedence for future generations. I always admired Dale and her ability to "matter of factly" help parents with special kids to accept and embrace the obstacles faced by these families. My husband and I deeply respected Dale and extend our deepest sympathy to her family and closest friends##imported-begin##Debbie Ingram##imported-end##

Dale will be missed by a great many people. When our agency was the program operator for the CETA programs and later the JTPA programs I had the pleasure of working with her through those years. She was very dedicated to her work and was an inspiration to all who knew her. My deepest sympathy to her family.##imported-begin##Jim Harris##imported-end##
